GENERAL RULES

- Prorated benefits are applicable if you join the Scheme after the 1st of January of a benefit year.
- Benefits in respect of the Prescribed Minimum Benefit (PMB) conditions are subject to regulations enacted under the Medical Schemes Act, 1998 (Act No. 131 of 1998).
- Sizwe Hosmed has appointed healthcare providers (or a group of providers) as network service providers for diagnosis, treatment and care in respect of one or more PMB conditions. The voluntary use of a non-DSP is subject to co-payments.
- 3 Month General Waiting Periods applicable (subject to the rights of interchangeability).
- 12 Month Condition Specific Waiting Periods for pre-existing conditions applicable (subject to the rights of interchangeability).
- Claims received later than the last day of the 4th month from when the service was rendered will not be covered.
- Medical Scheme Cover is limited to services received within the Republic of South Africa.
- Emergency medical cover whilst traveling outside of South Africa is subject to Scheme Rules, protocols and benefits.
 - The member is liable for settlement of the account whilst overseas,
 - Member reimbursements are subject to the submission of a valid claim, with proof of payment,
 - Reimbursed at 100% of scheme tariff in Republic of South African currency,
 - Non-emergency medical cover whilst travelling outside of South Africa is NOT covered. Members are advised to purchase travel insurance when travelling outside of the borders of South Africa.
- Sizwe Hosmed applies clinical protocols, including "best practice guidelines" as well as evidence-based medicine principles in its funding decision.
- Organ Transplant protocols are aligned to the Department of Health Protocols. Only organs from donors based in South Africa will be provided for. No Benefits will be provided for beneficiaries not donating to Sizwe Hosmed members. Unlimited benefits for PMBs, subject to pre-authorisation, clinical guidelines, medicine formulary* and registration on the Disease Management Programme.

BENEFIT RULES

- Overall Annual Limit:
 - No Overall Annual Limit for in-hospital services, subject to PMB, clinical guidelines and scheme rules
 - Out of Hospital Benefits Overall Annual Limit: Subject to PMB, clinical guidelines and scheme rules. Subject to Medical Savings Account, Self-Payment Gap and Above Threshold Benefits
- Designated (Network) Service Provider:
 - Sizwe Hosmed has appointed healthcare providers (or a group of providers) as designated/network service providers for the diagnosis, treatment and care in respect of one or more PMB conditions. Where the Scheme has appointed a network service provider and the member voluntarily chooses to use an out-of-network provider, a co-payment of up to 30% may be applied, subject to PMB.
- Hospital Pre-authorisation: Subject to PMB. All hospital admissions must be pre-authorised. Emergency admissions must be notified to the Scheme within 48 hours of admission to hospital.
- Dental Procedures:
 - All dental procedures performed in-hospital require pre-authorisation. The dentist's costs for procedures that are normally done in a doctor's rooms, when performed in hospital, shall be reimbursed from the out-of-hospital (OOH) benefit, or specialised dentistry, subject to the availability of funds. The hospital and anaesthetist's costs, if the procedure is pre-authorised, will be reimbursed from the in-hospital benefit.
- Day Procedures
 - All day procedures are subject to PMB, preauthorisation, managed care protocols and scheme rules. A 20% co-payment is applicable if a day procedure is performed at an Acute hospital. The co-payment does not apply if a day procedure is performed at a day hospital or day facility.

DEFINITIONS:

Scheme Tariff*	"The Tariff determined or adopted by the Board in respect of the payment for healthcare services rendered to beneficiaries by service providers who are not subject to a DSP Tariff or a Negotiated Tariff, determined using the 2006 National Health Reference Price List (NHRPL) with the application of a year on year inflationary increase"
DSP*	"Designated Service Provider"
DSP Tariff*	"The fee determined in terms of an agreement between the Scheme and a service provider or a group of service providers in respect of the payment for the relevant health services"
Negotiated Tariff*	"The fee determined in terms of an agreement between the Scheme and a service provider or a group of service providers in respect of the payment for the relevant health services"
Reference Price*	"The maximum reimbursable price for a list of generically similar or therapeutically equivalent products with a cost lower than that of the original medicine" "A Tariff negotiated and agreed ad hoc for services rendered between the Scheme and a healthcare service provider for services rendered by the relevant service provider to the Scheme or to beneficiaries and which is different from the Scheme Tariff"
Medicine Formulary*	"A list of medicines that the Scheme will pay for the treatment of acute and chronic conditions as per the benefit option the member has selected"
Co-payment*	"A specified rand amount a beneficiary will be liable to self-fund for the cost of a specified medical treatment as stipulated in the benefits per option"
Deductible*	"A specific percentage or rand amount of the total hospital account related to a specific procedure as stipulated in the benefits per option that the beneficiary is liable for"
ICON*	"Independent Clinical Oncology Network"
Voluntarily*	"Of one's own free will"

ANNEXURE D

SIZWE HOSMED MEDICAL SCHEME (Registration number 1486)

EXCLUSIONS AND LIMITATION OF BENEFITS 2024

PREAMBLE

The scheme will pay in full, without co-payment or use of deductibles, the diagnosis, treatment and care costs of the Prescribed Minimum Benefits ("PMBs") as per Regulation 8 of the Act. Furthermore, where a protocol or a formulary drug preferred by the scheme has been ineffective or would cause harm to a beneficiary, the scheme will fund the cost of the appropriate substitution treatment without a penalty to the beneficiary as required by regulation 15H and 15I of the Medical Schemes Act.

1. 2024 LIMITATIONS

The following limitations will apply on all benefit options:

- 1.1. The maximum benefits to which a member and his/her dependants shall be entitled in any financial year shall be limited set out in the benefit annexures of the Sizwe Hosmed Medical Scheme ("the Scheme") scheme rules.
- 1.1. All new members admitted during the course of a financial year shall be entitled to the benefits set out in the benefit annexures with the maximum benefits being adjusted in proportion to the period of membership from the admission date to the last day of such financial year.
- 1.2. In cases of illness of a protracted nature, the Sizwe Hosmed Medical Scheme Board of Trustees ("Board") shall have the right to insist upon a member or a dependant of a member consulting any particular specialist the Board may nominate in consultation with the attending practitioner.
- 1.3. Unless otherwise decided by the Board, benefits in respect of medicines obtained on a prescription are limited to one month's supply (or to the nearest unbroken pack) for every such prescription or repeat thereof.
- 1.4. Where the Fund has Designated Service Providers ("DSP") in place, the benefits will be limited in accordance to the rules specified in the benefit annexures for each of the registered options.
- 1.5. The Scheme may require a second opinion in respect of proposed treatment or medication which may result in a claim for benefits and for that purpose the relevant beneficiary shall consult a dental or medical practitioner nominated by the Scheme and at the cost of the Scheme. The procedure to be followed in obtaining a second opinion is outlined in the relevant Scheme protocol (Protocol Regarding Requests for Second Opinions).
- 1.6. In cases where a specialist is consulted without the recommendation of a general practitioner, the benefit allowed by the Scheme may, at its discretion, be limited to the amount that would have been paid to the general practitioner for the same service.
- 1.7. If the Scheme or its managed healthcare organisation has evidence-based funding guidelines or protocols in respect of covered services and supplies, beneficiaries will only qualify for benefits in respect of those services and supplies with reference to the available funding guidelines and protocols irrespective of clinical guidelines that are not consistent with the scheme protocols and benefits.
- 1.8. The Scheme reserves the right not to pay for any new technology. New technology is defined as any clinical intervention of a novel nature as well as those that the Scheme has not had previous experience with.

Coverage of new technology will be assessed by the Scheme with due consideration given to:

- 1.8.1 medical necessity.
- 1.8.2 clinical evidence of its use in clinical medicine including outcome studies
- 1.8.3 cost-effectiveness
- 1.8.4 affordability
- 1.8.5 value relative to existing services or supplies
- 1.8.6 safety
- 1.9. The Scheme reserves the right to impose and apply exclusions and limits to the benefits that will be paid for medicines/ procedures/interventions which have been accepted into the practice of clinical medicine through a process of health technology assessment/evaluation.
- 1.10. Benefits in respect of the cost of emergency medical treatment, as defined in the Medical Schemes Act, whilst abroad, are covered at the applicable Scheme tariff rates and RSA currency, limited to the benefit entitlement and PMB protocols that would have applied in South Africa.
- 1.11. A 10% co-payment will be applied on the following procedure codes:
 - 1034 - Autogenous nasal bone transplant: Bone removal included.
 - 1035 - Functional endoscopic sinus surgery: Unilateral.
 - 1036 - Functional endoscopic sinus surgery: Bilateral.
 - 1087 - Sub-total reconstruction consisting of any two of the following: Septoplasty, nasal osteotomy, nasal tip reconstruction.
 - 1085 - Total reconstruction of the nose: including reconstruction of nasal septum (septoplasty), nasal pyramid (osteotomy), and nasal tip.

- 1.12. Mirena device Funding is according to scheme protocol:
- It is not covered if used for contraception. Cover for abnormal uterine bleeding.
 - When inserted in doctors rooms, no co-payment applies
 - When Insertion is in theatre – co-payment R 1000.00, even if done in conjunction with another procedure.
 - Mirena device is paid from acute medicine benefit or MSA subject to PMB on preauthorisation
- 1.13. Optical Benefits are payable as per managed care protocols at a DSP
- 1.14. Dental benefits are payable as per managed care protocols at a DSP
- 1.15. Back and Neck surgery is subject to completion of conservative treatment.
- 1.16. Da Vinci Robotic Prostatectomy is funded only for PMBs, subject to managed care protocols and preauthorisation. Only for Titanium Executive qualifying beneficiaries, it will be funded to the PMB level of care.

2. 2024 GENERAL EXCLUSIONS

General exclusions mentioned in this paragraph are not affected by any specific exclusion. Unless otherwise decided by the Board of Trustees of the Scheme (and with the express exception of medicines or treatment approved and authorised in terms of any relevant managed health-care programme), the Scheme shall not be liable in respect of expenses incurred in connection with any of the expenses below:

- 2.1. All costs that exceed the annual or biennial maximum allowed for the category as set out in Annexure A, for the benefits to which the member is entitled in terms of the rules;
- 2.2. Such costs that are more than the annual maximum benefit to which a member is entitled in terms of the rules, unless otherwise agreed by the Board;
- 2.3. All costs for operations, medicines, treatments, and procedures for cosmetic purposes or for personal reasons, and not directly caused by or related to illness, accident, or disease;
- 2.4. All costs for surgical treatment of keloids, unless such keloids are a result of a complication from a PMB condition resulting in functional impairment;
- 2.5. If, in the opinion of the medical advisor, the healthcare service in respect of which a claim is made for any aspect of the management of a medical condition; is not clinically appropriate and/or necessary, not at an appropriate level of care, or not rendered at an affordable cost,
- 2.6. All costs for treatment, if there is no or insufficient evidence of efficacy and safety of such treatment,
- 2.7. Medicines not included in a prescription from a medical practitioner or other healthcare professional who is legally entitled to prescribe such medicines (except for schedule 0, 1, and 2 medicines supplied by a registered pharmacist)
- 2.8. Medicine not approved by the South African Health Products Regulatory Authority (SAHPRA), or other statutory body empowered to approve/register medications
- 2.9. Healthcare services obtained during general and/or condition specific waiting period, imposed upon joining the Scheme
- 2.10. All claims where ICD-10 codes are missing, invalid or incomplete will be rejected
- 2.11. Where the provider of service refuses to provide adequate clinical motivation or supporting evidence of diagnosis the scheme reserves the right to decline funding
- 2.12. Booking fees and birthing fees charged by providers for non-medical reasons
- 2.13. Fees or levies imposed by healthcare practitioners as part of their administration costs
- 2.14. Costs of diagnostic tests done in hospital which are not related to the reason for admission or for which admission is not clinically appropriate.
- 2.15. Appliances, devices, and procedures not scientifically proven,
- 2.16. All costs for services rendered by:
 - 2.16.1 -persons not registered with a recognised professional body constituted in terms of an Act of Parliament; or
 - 2.16.2 -any institution, nursing home or similar institution, except a state or provincial hospital, not registered in terms of any law. Abdominoplasties (including the repair of divarication of the abdominal muscles),
 - 2.16.3 All services rendered outside the Republic of South Africa for which a benefit would have been payable, if such service had been rendered within the Republic of South Africa.
- 2.17. Any services provided by Medical Scientist, including:
 - 2.17.1 Psychometrists and Registered Counsellors
 - 2.17.2 Industrial and Research Psychologist
- 2.18. Accommodation and services provided in a geriatric hospital, old age home, frail care facility or the like (unless specifically provided for in the benefit annexures),
- 2.19. Art therapist, aromatherapist, massage therapist, reflexologist, Chinese medicine practitioners, acupuncturist. Anabolic steroids, immunostimulants (except for immunoglobulins and growth hormones, which are subject to pre-authorisation by the relevant managed healthcare programme),

- 2.20. Charges for appointments cancelled or which a member or dependant or a member fails to keep.
- 2.21. The payment of interest on arrear accounts
- 2.22. Arch supports including shoe inserts,
- 2.23. Aromatherapy,
- 2.24. Autopsies,
- 2.25. Ayurvedic medicine
- 2.26. Any nasal surgery done by a plastic surgeon unless it is related to a pathological condition or PMB diagnosis,
- 2.27. Back rests and chair seats,
- 2.28. Household bandages and dressings (except medicated dressings subject to authorisation by the relevant managed healthcare programme),
- 2.29. Beds and mattresses,
- 2.30. Blepharoplasties: unless there is documented evidence of visual impairment where the eyelid has covered or has encroached upon the pupil. Where this applies, benefits are limited to the affected eye only,
- 2.31. Breast reconstruction unless it is classified as a PMB (unless necessitated by pre-authorised surgical mastectomy, traumatic mastectomy or congenital unilateral absence of a breast which is subject to Scheme protocol),
- 2.32. Breast reductions and breast augmentations,
- 2.33. Breast surgery for gynaecomastia, unless PMB,
- 2.34. Coloured or cosmetic effect contact lenses, plus contact lens accessories and solutions,
- 2.35. Injuries arising from speed contests and speed trials unless it is classified as a PMB;
- 2.36. Surgical treatment of infertility unless it is classified as a PMB;
- 2.37. Treatment for obesity,
- 2.38. Holidays for recuperative purposes,
- 2.39. Travelling expenses
 - 2.39.1 Travelling expenses incurred by a member
 - 2.39.2 Traveling expenses claimed by medical or dental practitioners will be provided for, in line with Rule P of the NHRPL
- 2.40. The following types of medicines, procedures and appliances are also excluded:
 - 2.40.1 Anabolic steroids;
 - 2.40.2 Anti-diarrhoeal micro-organism;
 - 2.40.3 Anti-malarial for prophylactic use;
 - 2.40.4 Aphrodisiacs;
 - 2.40.5 Cosmetic preparations; medicated or otherwise;
 - 2.40.6 Electric toothbrushes.
 - 2.40.7 Diagnostic monitors and appliances,
 - 2.40.8 Essential fatty acid preparations and combinations;
 - 2.40.9 Household remedies or preparations of the type generally promoted to the public to increase consumption.
 - 2.40.10 Medicines used specifically to promote fertility unless classified as a PMB.
 - 2.40.11 Medicines used specifically to treat alcoholism and addiction, subject to PMBs.
 - 2.40.12 Minerals (single and combined).
 - 2.40.13 Musculoskeletal topical agents.
 - 2.40.14 Nutritional supplements, including baby foods, and formulas unless it is specially authorised as part of a scheme approved treatment protocol.
 - 2.40.15 Preparations used specifically to treat and or prevent obesity.
 - 2.40.16 Preparations to treat smoking dependency.
 - 2.40.17 Sanitary products (nappies, sanitary pads etc.);
 - 2.40.18 Items appearing on the Scheme's non-covered items list for hospitals;
 - 2.40.19 Section 21 products.
 - 2.40.20 Soaps, shampoos, and other applications (medical or non-medicated).
 - 2.40.21 Cosmetic preparations, emollients, moisturisers, medicated or otherwise, soaps, scrubs and other cleansers, sun-screen and sun tanning preparations, medicated shampoos, and conditioners, not including coal tar products and the treatment of lice infestation, scabies, and other microbial infections (subject to PMB regulations).
 - 2.40.22 Surgical appliances and devices for use out of hospital
 - 1.1. Tonics, evening primrose oil, fish liver oils, nutritional supplements, multivitamin preparations, and minerals (except prenatal vitamins) as approved by the Scheme's pharmacy benefit management programme.
 - 2.40.23 Topical preparations excluding topical steroid and acne preparations.
 - 2.40.24 Topical acne facial wash preparations;
 - 2.40.25 Topical sun screening, sun tanning and after sun agents,
 - 2.40.26 Treatment not proven safe and effective, such as natural remedies, herbs, and treatment prescribed by non-licensed practitioners etc.,
 - 2.40.27 Treatment prescribed for indicated use (off label),
 - 2.40.28 Travel Vaccines, oral and parenteral,
 - 2.40.29 Vitamins, multivitamins, and combinations,
 - 2.40.30 Voluntary withdrawn products and treatment that might be harmful or unsafe,
 - 2.40.31 Acupuncture and Chinese Medicine including Naturopath and Osteopathy,
- 2.41. Electrognathography and other such electronic analyses
- 2.42. Ozone therapy.
- 2.43. Diagnostic kits, agents, and appliances – unless otherwise stated – except for diabetic accessories (subject to PMB regulations and Scheme protocols).
- 2.44. Treatment of depression using sleep therapy.
- 2.45. Treatment for erectile dysfunction and loss of libido.
- 2.46. Patented food and nutritional supplements – including baby food and special milk preparations – unless prescribed for malabsorptive disorders and if registered on the relevant managed healthcare programme, or for mother to child transmission (PMTCT) prophylaxis and if registered on the relevant disease management programme.
- 2.47. Gender re-assignment treatment.
- 2.48. Genioplasties
- 2.49. Headaches: oral appliances and the ligation of temporal artery and its branches for the treatment of headaches.
- 2.50. Hirsutism
- 2.51. Humidifiers, without clinical indication
- 2.52. Medical and surgical treatment, which is not included in the Prescribed Minimum Benefits in the Regulations to the Medical Schemes Act 131 of 1998, benefit annexures, Paragraph 9, Code 902M (as amended):

- 2.52.1 Assisted Reproductive Technology (ART).
- 2.52.2 In-vitro fertilization (IVF).
- 2.52.3 Gamete Intrafallopian tube transfer (GIFT).
- 2.52.4 Zygote Intrafallopian tube transfer (ZIFT).
- 2.52.5 Intracytoplasmic sperm injection (ICSI).
- 2.53. Vasovasostomy (reversal of vasectomy), and Salpingostomy for reversal of tubal ligation.
- 2.54. Ionizers and air purifiers.
- 2.55. Iridology.
- 2.56. Surrogate pregnancy; including all services.
- 2.57. Laxatives, subject to Scheme protocols.
- 2.58. Medical, surgical, and orthopaedic appliances, devices, and products, including oxygen hire or purchase and attachments, subject to PMB regulations and Scheme protocols.
- 2.59. Medication in respect of substance abuse treatment unless specifically authorised by the relevant managed healthcare programme, subject to PMB regulations.
- 2.60. Homeopathic medication unless specified in the benefit annexures
- 2.61. MRI and other scans ordered by a general practitioner,
- 2.62. Optical devices excluded by the relevant DSP protocols.
- 2.63. Orthopaedic shoes and boots, subject to Scheme protocols.
- 2.64. Osteopathy
- 2.65. Otoplasties
- 2.66. Pain relieving machines, e.g., TENS, APS.
- 2.67. Medicines, household remedies and proprietary preparations and preparations not otherwise classified,
- 2.68. Positron Emission Tomography (PET) scans where applicable; subject to oncology protocols and oncology registration.
- 2.69. Reflexology
- 2.70. Revision of scars; except following burns and for functional impairment.
- 2.71. Stethoscopes.
- 2.72. Sunglasses
- 2.73. Consultation and treatment by registered counsellors, subject to prescribed minimum benefits.
- 2.74. Uvulo-palatal pharyngoplasty (UPPP and LAUP).
- 2.75. Veterinary products
- 2.76. Pharmacy service fees
- 2.77. Fentonplasty
- 2.78. Insulin pumps (except for children seven (7) years or younger with frequent documented events of hypo and/or hyperglycaemia),
- 2.79. Green laser prostatectomy
- 2.80. Allergy screening panels and/or desensitization,
- 2.81. Laparoscopic esophagogastric fundoplication (e.g., Nissen, Toupet procedures), except hernia repair and other PMB levels of care.
- 2.82. Organ and haemopoietic stem cell (bone marrow) donations; and immunosuppressive medication to any person other than to a Sizwe Hosmed beneficiary.
- 2.83. Refractive Surgery
- 2.84. The following exclusions apply for emergency medical services:
- 2.85. Social transfers, Patient pick up to and from home to dialysis treatment; and acute admissions to step-down facilities.

3. 2024 DENTAL EXCLUSIONS

Unless otherwise decided by the Board, and subject to DSP protocols, the Scheme shall not be liable in respect of expenses incurred in connection with any of the following:

- 3.1. Preventative care (Oral hygiene)
- 3.2. Caries susceptibility and microbiological tests,
- 3.3. Preventative care instruction
- 3.4. Preventative care evaluation
- 3.5. Professionally applied fluoride for beneficiaries 13 years and older
- 3.6. Tooth whitening
- 3.7. Cost of prescribed toothpastes, mouthwashes (e.g., Corsodyl) and ointments
- 3.8. Fillings to restore teeth damaged due to toothbrush abrasion, attrition, erosion, and fluorosis
- 3.9. Resin bonding for restorations charged as a separate procedure to the restoration.
- 3.10. Polishing of restorations
- 3.11. Gold foil restorations
- 3.12. The use of gold in dentures or the cost of gold as an alternative to non-precious metal in crowns, inlays and bridges, and metal frame on full dentures
- 3.13. Dental procedures or devices which are not regarded by the relevant managed healthcare programme as clinically essential or clinically desirable, and costs for
- 3.14. Anaesthetics in respect of dental services:
 - 3.14.1 general anaesthesia for dental work except in the case of patients under the age of 7 years and symptomatic bony impaction of third molars and exposures that form part of an Orthodontic treatment plan,
 - 3.14.2 conscious sedation is limited to children below 12 years,
- 3.15. Orthodontic treatment over the age of 21 years; orthodontic plans that continue past the beneficiaries 21st birthday will only be paid up to their 21st birthday, the remainder of the treatment plan will be rejected, and member may be liable,
- 3.16. Periodontal surgery for cosmetic reasons,
- 3.17. Use of high impact acrylic and precious metal in dentures or the cost of precious, metal as an alternative to semi-precious or non-precious metal in dental prostheses.
- 3.18. Genioplasty and dental osteotomy.
- 3.19. Oral hygiene instructions.
- 3.20. Fluoride application for beneficiaries above the age of 12 years.
- 3.21. Dental implants, components and surgery associated with dental implants, unless stipulated in benefit option.
- 3.22. Multiple admissions for extensive (three (3) or more teeth requiring treatment) conservative dental treatment in children seven (7) years and younger (one (1) admission every 24 months allowed).
- 3.23. Soft base to new dentures.
- 3.24. Diagnostic dentures.
- 3.25. Provisional crowns.
- 3.26. Root Canal Therapy and Extractions

- 3.26.1 Root canal therapy on primary (milk) teeth
- 3.26.2 Direct and indirect pulp capping procedures
- 3.26.3 Root canal therapy on wisdom teeth (third molars).
- 3.27. Plastic Dentures/Snoring appliances/Mouth-guards
- 3.28. Diagnostic dentures and the associated laboratory costs
- 3.29. Snoring appliances and the associated laboratory costs
- 3.30. Provisional dentures and associated laboratory costs.
- 3.31. The clinical fee of dental repairs, denture tooth replacements and the addition of a soft base to new dentures (The laboratory fee will be covered at the Scheme Dental Tariff where managed care protocols apply.)
- 3.32. The laboratory cost associated with mouth guards (The laboratory fee will be covered at the Scheme Dental Tariff where managed care protocols apply.)
- 3.33. High impact acrylic
- 3.34. Cost of gold, precious metal, semi-precious metal and platinum foil
- 3.35. Laboratory delivery fees
- 3.36. Partial Chrome Cobalt (Metal) Frame Dentures
 - 3.36.1 Metal base to full dentures, including the laboratory cost.
 - 3.36.2 High impact acrylic
 - 3.36.3 Cost of gold, precious metal, semi-precious metal and platinum foil
 - 3.36.4 Laboratory delivery fees
- 3.37. Crown and Bridge
 - 1.1.1 Crowns on third molars
 - 3.37.1 Crown and bridge procedures for cosmetic reasons and the associated laboratory costs
 - 3.37.2 Crown and bridge procedures where there is no extensive tooth structure loss and associated laboratory costs
 - 3.37.3 Occlusal rehabilitations and the associated laboratory costs
 - 3.37.4 Provisional crowns and the associated laboratory costs
 - 3.37.5 Porcelain veneers and inlays/on lays and the associated laboratory costs
 - 3.37.6 Emergency crowns that are not placed for immediate protection in tooth injury, and the associated laboratory costs.
 - 3.37.7 Cost of gold, precious metal, semi-precious metal and platinum foil
 - 3.37.8 Laboratory delivery fees
- 3.38. Implants
 - 3.38.1 Implants on wisdom teeth (3rd molars).
 - 3.38.2 Laboratory delivery fees.
- 3.39. Orthodontics
 - 3.39.1 Orthodontic treatment for cosmetic reasons and associated laboratory costs
 - 3.39.2 Orthognathic (jaw correction) surgery, other orthodontic related surgery and any related hospital cost including associated laboratory costs.
 - 3.39.3 Individuals 21 years and older
 - 3.39.4 Orthodontic re-treatment and the associated laboratory costs
 - 3.39.5 Cost of invisible retainer material
 - 3.39.6 Laboratory delivery fees
- 3.40. Periodontics
 - 1.1.2 Surgical periodontics, which includes gingivectomies, periodontal flap surgery, tissue grafting and hemi-section of a tooth.
 - 1.1.3 Perio-chip placement
- 3.41. Additional Dental Exclusions
 - 3.41.1 Electrognathographic recordings, pantographic recordings and other such electronic analyses
 - 3.41.2 Nutritional and tobacco counselling
 - 3.41.3 Caries susceptibility and microbiological tests
 - 3.41.4 Fissure sealants on patients 16 years and older
 - 3.41.5 Pulp tests
 - 3.41.6 Cost of Mineral Trioxide
 - 3.41.7 Cost of prescribed toothpastes, mouthwashes (e.g. Corsodyl) and ointments
 - 3.41.8 Appointment not kept
 - 3.41.9 Special report
 - 3.41.10 Dental testimony including dento-legal fees
 - 3.41.11 Treatment plan completed (currently code 8120)
 - 3.41.12 Enamel micro-abrasion
 - 3.41.13 Behaviour management
 - 3.41.14 Intramuscular or subcutaneous injection
 - 3.41.15 Procedures that are defined as unusual circumstances and procedures that are defined as unlisted procedures
- 3.42. Maxillo-Facial Surgery and Oral Pathology
 - 3.42.1 Orthognathic (jaw correction) surgery and any related hospital costs and associated laboratory costs
 - 3.42.2 Bone and other tissue regeneration procedures
 - 3.42.3 Cost of bone regeneration material
 - 3.42.4 The auto-transplantation of teeth
 - 3.42.5 Sinus lift procedures
 - 3.42.6 The closure of an oral-antral opening (item code 8909) when claimed during the same visit with impacted teeth (item codes 8941, 8943 and 8945).
- 3.43. Hospitalisation (general anaesthetic)

- 3.43.1 Where the reason for admission is dental fear or anxiety
- 3.43.2 Multiple hospital admissions
- 3.43.3 Where the only reason for admission to hospital is to acquire a sterile facility.
- 3.43.4 The cost of dental materials for procedures performed under general anaesthetic.
- 3.43.5 The hospital and anaesthetist claims for the following procedures will not be covered when performed under general anaesthesia:
 - 3.43.6 Apicectomies
 - 3.43.7 Dentectomies
 - 3.43.8 Frenectomies
 - 3.43.9 Conservative dental treatment (fillings, extractions and root canal therapy) in hospital for adults
 - 3.43.10 Professional Preventative care procedures
 - 3.43.11 Implantology and associated surgical procedures, and
 - 3.43.12 Surgical tooth exposure for orthodontic reasons.

The member, therefore, acknowledges that – notwithstanding anything to the contrary, or not specifically set out in the rules or Annexures of the Scheme – the member is under a duty of care to disclose all and any information or matters to the Scheme, which may in any manner impact upon or affect a decision or discretion which vests in the Scheme, concerning such member or his claim.

ANNEXURE E

PREScribed MINIMUM BENEFITS

1. Designated service providers (DSP)

A healthcare provider or group of providers selected by the Scheme as preferred provider(s) to provide to the Beneficiaries, diagnosis, treatment, and care in respect of one or more Prescribed Minimum Benefit conditions.

The service provider(s) designated by the Scheme for the delivery of Prescribed Minimum Benefits to its Beneficiaries are those providers in respect of whom the Scheme has entered into an agreement. Beneficiaries can obtain information – including whether a service provider is a DSP – by communicating and requesting such information from the Scheme.

2. Prescribed minimum benefits obtained from DSPs

100% of the cost in respect of diagnosis, treatment, and care costs of Prescribed Minimum Benefit conditions if those services are obtained from a DSP.

3. Prescribed Minimum Benefits voluntarily obtained from other providers

If a Beneficiary voluntarily obtains diagnosis, treatment, and care in respect of a Prescribed Minimum Benefit condition from a provider other than a DSP, the benefit payable in respect of such service shall be the Scheme rate*.

4. Prescribed Minimum Benefits involuntarily obtained from other providers

(a) If a Beneficiary involuntarily obtains diagnosis, treatment, and care in respect of a Prescribed Minimum Benefit condition from a provider other than a DSP, the Scheme will pay 100% of the cost in relation to that Prescribed Minimum Benefit conditions.

(b) For the purposes of paragraph 4(a) above, a Beneficiary will be deemed to have involuntarily obtained a service from a provider, other than a DSP, if:

(i) the service was not available from the DSP or would not be provided without unreasonable delay;

(ii) immediate medical or surgical treatment for a Prescribed Minimum Benefit condition was required under circumstances or at locations which reasonably precluded the Beneficiary from obtaining such treatment from a DSP; or

(iii) there was no DSP within reasonable proximity to the Beneficiary's ordinary place of business or personal residence.

(c) Except in the case of an emergency medical condition, pre-authorisation shall be obtained by a Member prior to involuntarily obtaining a service from a provider other than a DSP in terms of this paragraph, to enable the Scheme to confirm that the circumstances contemplated in paragraph 4(b) above are applicable.

(d) Where pre-authorisation has not been obtained by the Member in accordance with paragraph 4(c) above, the benefit payable in respect of such service shall be the Scheme rate*.

5. Medication

(a) Where a Prescribed Minimum Benefit includes medication, the Scheme will pay 100% of the cost of that medication if that medication is obtained from a DSP, or is involuntarily obtained from a provider other than a DSP, and

(i) the medication is included on the applicable formulary in use by the Scheme; or

(ii) the formulary does not include a drug that is clinically appropriate and effective for the treatment of that Prescribed Minimum Benefit condition.

(b) Where a Prescribed Minimum Benefit includes medication, a co-payment of 30% of the cost of the medicine and its supply will apply if:

(i) that medication is voluntarily obtained from a provider other than a DSP; and/or

(ii) the formulary includes a drug that is clinically appropriate and effective for the treatment of a Prescribed Minimum Benefit condition suffered by a Beneficiary, and that Beneficiary knowingly declines the formulary drug and opts to use another drug instead. In the event of 5(b) (i) and 5(b) (ii) being applicable, the cumulative co-payment which becomes payable will be 30%.

6. Prescribed Minimum Benefits obtained from a public hospital

Notwithstanding anything to the contrary contained in these Rules, the Scheme shall pay 100% of the costs of Prescribed Minimum Benefits obtained in a public hospital, without limitation.

7. Diagnosis tests for an unconfirmed Prescribed Minimum Benefit Diagnosis

Where diagnostic tests and examinations are performed but do not result in confirmation of a Prescribed Minimum Benefit diagnosis, except for an emergency medical condition, such diagnostic tests or examinations are not considered to be a Prescribed Minimum Benefit.

8. Payment of Prescribed Minimum Benefit Claims

In line with the Council's various circulars, and in particular Circular 13 of 2012 as well as the outcome of the court case between the Registrar and the Board of Healthcare Funders, the Scheme pays PMB's at cost and as per the rates. On initial submission of the claim, the claim is paid up to 200% of the Scheme's tariff and then the balance is investigated, analysed, verified, and adjudicated and – where applicable – paid following an enquiry by a member or service provider.

9. Co-payments

Co-payments in respect of the costs for Prescribed Minimum Benefit's may not be paid out of Medical Savings Accounts.

10. Chronic conditions

Any Benefit Option covers the full cost for services rendered in respect of the Prescribed Minimum Benefits, which includes the diagnosis, medical management, and medication to the extent that it is provided for in terms of a therapeutic algorithm as prescribed for the specified chronic conditions.

The list of chronic conditions which are Prescribed Minimum Benefits include:

- (1) Addison's disease
- (2) Asthma
- (3) Bi-polar mood disorder
- (4) Bronchiectasis
- (5) Cardiac failure
- (6) Cardiomyopathy disease
- (7) Chronic renal disease
- (8) Coronary artery disease
- (9) COVID-19
- (10) Chronic obstructive pulmonary disorder
- (11) Crohn's disease
- (12) Diabetes insipidus
- (13) Diabetes mellitus type 1
- (14) Diabetes mellitus type 2
- (15) Dysrhythmias
- (16) Epilepsy
- (17) Glaucoma
- (18) Haemophilia
- (19) HIV/AIDS
- (20) Hyperlipidaemia
- (21) Hypertension
- (22) Hypothyroidism
- (23) Multiple sclerosis
- (24) Parkinson's disease
- (25) Schizophrenia
- (26) Ulcerative colitis
- (27) Rheumatoid arthritis
- (28) Systemic lupus erythematosus

ANNEXURE F

2024 SIZWE HOSMED MEDICAL SCHEME (Registration number 1486)
MEDICAL SAVINGS ACCOUNT "MSA"

Titanium Executive, Platinum Enhanced, Platinum EDO and Access Saver 25% Options

1. On admission to the Scheme, a Medical Savings Account ("MSA") shall be established in the name of the new Member.
2. A MSA shall generally be credited with:
 - 2.1 that part of the contributions received from the Member as specified in paragraph 4 below; and
 - 2.2 the interest and any other return on investment as specified in paragraph 5 below.
3. A MSA shall generally be debited with:
 - 3.1 the healthcare benefits utilised by the Member and his/her Dependents as specified in paragraphs 6 and 7 below; and
 - 3.2 any debt owed by the Member to the Scheme as contemplated by Rule 13.5 and paragraph 9 below.
4. The Scheme shall not allocate more than the following percentage of the gross contribution received from a member during a financial year to his/her MSA: 20.8% for Titanium Executive, 22.5% for Platinum Enhanced, 22.5% for Platinum Enhanced EDO, 25% for Access Saver.
5. The sum of Member's MSA funds may attract returns on such investments (be it in the form of interest), which returns shall be credited by the Scheme to each Member's accumulated positive balance.
6. The MSA will form part of the Scheme overall assets
7. During the term of a Member's membership of the Scheme, the Member's MSA funds (including, but not limited to, the investment returns specified in paragraph 5 above) shall be available for the exclusive benefit and use of the Member and his/her Dependents as specified in paragraph 8 below.
8. Subject to sufficient funds being available in a Member's MSA at the date on which a claim is processed, the Member and his/her Dependents shall be entitled to claim for healthcare services in accordance with the provisions of the Act, the Rules and their Benefit Option and in particular, at the agreed Rate as specified in Annexure A3 to the Rules.
9. Whilst being on a particular Benefit Option of the Scheme which provides for a MSA, the Scheme shall not be entitled to use the Member's MSA funds to pay for the cost of a prescribed minimum benefit or to offset any outstanding contributions, penalties or other debt due and payable to the Scheme.
10. However, on the death of a Member, or on the termination of a Member's membership of the Scheme, or on the transfer of a Member from a particular Benefit Option of the Scheme which provides for a MSA to any other of the Scheme's Benefit Options, the funds in the Member's MSA may be used to offset any debt owed by the Member to the Scheme, including (but not limited to) outstanding contributions, penalties and any claims which may be submitted to the Scheme for payment following the date of such death, termination or transfer.
11. Should a Member elect to transfer between two of the Scheme's Benefit Options which both provide for a MSA, or from one of the Scheme's Benefit Options to that of another medical Scheme which both provide for a MSA, any MSA balance due to the Member (subject to the adjustments specified in paragraphs 3, 7, 9, 11 and 12 above) shall be transferred by the Scheme to the Member's MSA on his/her new Benefit Option with the Scheme or to the other medical Scheme (as the case may be) within five (5) months of the date of such transfer between such two Scheme Benefit Options or of the date of termination of the Member's membership by the Scheme (as the case may be), subject to the applicable taxation laws.
12. Should a Member elect to transfer from one of the Scheme's Benefit Options which provide for a MSA to another of the Scheme's Benefit Options which does not so provide, any MSA balance due to the Member (subject to the adjustments specified in paragraphs 3, 7, 8, 10 and 11 above) shall be refunded by the Scheme to the Member
13. Should a Member's membership be terminated for reasons other than his/her death and he/she not be admitted as a member of another medical Scheme or be admitted to a benefit option of another medical Scheme which does not provide for a MSA, any MSA balance due to the Member (subject to the adjustments specified in paragraphs 3, 7, 8, 10 and 11 above) shall be refunded by the Scheme to the Member within five (5) months of the date of termination of the Member's membership by the Scheme, subject to the applicable taxation laws
14. Upon the death of a Member, any MSA balance due to the deceased Member (subject to the adjustments specified in paragraphs 3, 7, 8, 10 and 11 above) shall be transferred by the Scheme to the MSA of the Dependant of the deceased Member who is elected as the new Member in terms of Rule 6.4.1 and who continues membership of the Scheme or, in the absence of such a Dependant, shall be paid by the Scheme to the deceased Member's estate, subject to the applicable taxation laws.
15. If a Member (or his or her lawful heirs) become legally entitled to repayment of any MSA funds, and such a Member (or his or her lawful heirs) fail to claim such funds within three (3) years of becoming entitled thereto, then, such funds shall be written back to the Scheme.
16. Claims in respect of benefits for conditions indicated as payable from the PMSA as per the benefits in the Scheme rules shall first be allocated against the member's PMSA and once these have been exhausted, offset against the accumulated funds.
